INSTRUCTIONS FOR USE

1. To preheat the **SANTA FE BUFFET**,™ place the Lid on the Round Heating Plate. Turn the Temperature Control Knob to **“OFF”** and attach Temperature Control Probe to the **BUFFET**. Then plug the cord into a wall outlet. As the Temperature Control Knob is turned, the Light on the Temperature Control Probe will illuminate and the Grill will begin to heat.
2. The Indicator Light will go off when the temperature heat level (**“HIGH,” “MEDIUM,” “LOW,”** or **“WARM”**) is reached.

CAUTION: The grilling surface becomes very hot. Avoid contact with hot Grill. The use of cooking mitts or potholders is recommended.

NOTE: The Indicator Light will turn on and off while you are cooking. This is normal and indicates that the Thermostat is cycling on and off to maintain a constant cooking temperature.

3. You may use the Glass Lid, on either the flat, Round Heating Plate or the Ribbed Grill cooking surface. See “Wrap Station and Grill” and “Party Service Buffet” Sections of this manual for correct Grill set-up.
4. Exact cooking times vary for different types of foods and recipes. Consult your recipe and adjust as needed. With the Lid in place on the Round Heating Plate, your **SANTA FE BUFFET**™ performs as a vented covered pan.
5. When your food is ready, turn the Temperature Control Probe to **“OFF.”** Always remove your food using the **SANTA FE** Plastic Tongs provided, or a wooden spatula, or non-metal fork.

INSTRUCTIONS FOR USE *(Continued)*

CAUTION: Do not use metal or sharp-edged utensils, as these can damage the non-stick surface of the Grill. Do not leave any plastic utensils in or on the grilling surface, while it is plugged in or is hot.

- When cooking or serving is finished, unplug the **SANTA FE BUFFET™** from the wall outlet first, and then remove Temperature Control Probe from the appliance.

CAUTION: Always disconnect the plug from the wall outlet when not in use.

Wrap Station and Grill

- The circular Tortilla Warmer can be used to hold the tortillas for tacos, enchiladas, tostadas, burritos, etc. to which grilled vegetables and meats, fish and/or cheese can be added.

Wrap Station with Stainless Steel Tortilla Pan keeps up to 10 tortillas warm for up to 30 minutes.

Place the Stainless Steel Tortilla Pan into the Round Heating Plate. You can place up to 10 tortillas into the Pan. Use the Glass Lid to keep tortillas warm and moist for up to 30 minutes.

- The non-stick coating on the **SANTA FE BUFFET™** means cooking with very little fat or oil. If desired, a mere 1/2 teaspoon is all you will need to coat the inside cooking surfaces to prevent sticking or add flavor.
*See "User Maintenance Instructions" regarding use of oils, butter, and margarine.
- Before grilling, slide the grease-catching Drip Tray underneath the Ribbed Grill of the **SANTA FE BUFFET™** directly under the Grease Drain. The Tray should slide effortlessly into a firm locked position.
When the Grill is being used, grease drips through the Grease Drain located under the Ribbed Grill (see illustration on page 4).
- With the Temperature Control Knob turned to "**OFF**," attach the Temperature Control Probe to the unit first. Then plug the **SANTA FE BUFFET™** into electric outlet. Turn Temperature Control Knob to the desired setting and preheat 5-8 minutes or until Light goes out. Carefully remove the Lid, preferably using oven mitts.
- Use Plastic Tongs provided to carefully place the items to be cooked on the **SANTA FE BUFFET™** grilling surfaces.

WRAP STATION & GRILL *(Continued)*

CAUTION: Be careful not to touch any part of the SANTA FE BUFFET™ as Grill parts will be HOT!

6. Grill meats, vegetables or fruits on the Ribbed Grill. The Ribbed Grill adds beautiful grill lines while searing in juices and adding flavor. Cook foods according to your recipes.
7. Depending on the foods you are cooking, cook with the Lid either on or off.

Party Service Buffet

1. Use as a dual Grill, one side covered, one side open.
2. The Glass Lid may be used on either side.

WARNING! While using SANTA FE BUFFET™ with the Lid in place, steam will rise from the Steam Hole. Keep hands and face away from the Glass Lid's Steam Hole.

Always use oven mitts to handle hot Grill/Heating Plate or Tortilla Pan.

Cook on both the Ribbed Grill and the Heating Plate. Make pizza crust in the flat Heating Plate and grill veggies and meat toppings at the same time.

3. The flat, Round Heating Plate of the **SANTA FE BUFFET™** can be used for preparing a wide variety of foods such as pancakes, eggs, hamburgers, pizza, or stir-fries. Grill sausages, bacon, meats, fruits, vegetables on the Ribbed Grill.
4. After foods are cooked, turn the Temperature Control Knob to **“WARM.”** Let family and guests help themselves to delicious foods kept at perfect serving temperature.
5. Add your own pan (up to 8”) to keep sauces, soups, stews, chilies, party dips warm. Serve grilled foods, toasted tortilla chips, warmed pitas covered on the Grill at the same time.
6. When cooking is finished, turn the Temperature Control Knob to **“OFF”** and unplug the **SANTA FE BUFFET™**

HINTS FOR BEST RESULTS

1. The non-stick coating on the **SANTA FE BUFFET™** means cooking without any fat at all! Use butter, margarine or oil only for extra browning or flavor. Use 1/2 teaspoon to coat the cooking surfaces. We recommend using a cooking brush to apply oil or melted butter to the Ribbed Grill surface.

*See “User Maintenance Instructions” regarding use of oils or butter.
2. The **SANTA FE BUFFET™** has an easy-to-use Adjustable Temperature Control with 4 temperature settings: **“HIGH,” “MEDIUM,” “LOW,”** and **“WARM.”**
3. Use the Adjustable Temperature Control on **“LOW”** for scallops and tender seafood — on **“HIGH”** for swordfish steaks.
4. For beef and chicken, we recommend using **“HIGH”** heat to get those grill marks you love!
5. Personal taste, thickness of cut of fish, meat, vegetables or fruits may vary cooking times. Always check for doneness and always use fresh, refrigerated foods for you and your family.

USDA NOTE: The USDA recommends that meats such as beef, pork, lamb, etc. should be cooked to an internal temperature of 160°F and poultry products should be cooked to an internal temperature of 170°F - 180°F to be sure any harmful bacteria, Listeria and Ecoli, has been killed. When reheating meat/poultry products, they should also be cooked to an internal temperature of 165°F.

6. Cleaning the **SANTA FE BUFFET™** is a snap! The entire grilling surface lifts easily out of the Base. Clean thoroughly and replace Grill by lining up the cut-out notch for the Temperature Control Probe on the Grill and the Base.
7. To loosen tidbits that have dried on to the Grill Pan, remove the Temperature Control Probe. Pour 1/2 cup water onto Grill surfaces, let soak, pour off the water and then use a sponge or non-scratching plastic kitchen dish brush. (See “User Maintenance Instructions” for more suggestions.)
8. To take advantage of the added heat/steaming effect from use of the Glass Lid, or to keep foods from splattering, cook with the Lid in place.

USER MAINTENANCE INSTRUCTIONS

WARNING: To avoid electric shock, unplug from outlet when not in use and before cleaning. Use care not to fully submerge Probe Receptacle during cleaning.

1. Before cleaning, turn the Temperature Control Probe to “**OFF,**” and unplug the appliance from the wall outlet. Remove the Temperature Control Probe from the **BUFFET** and allow entire appliance to cool thoroughly.
2. **Inside cleaning:** Remove the Grill from the Base to clean. Clean the Removable Grill/Heating Plate by carefully rinsing the coated surface with warm, soapy water. Wipe clean with a soft, damp cloth. If necessary, you may submerge the Grill in water, **but use care not to submerge the end of the Grill which houses the Probe Receptacle.** Rinse well and dry all parts thoroughly. The Glass Lid and Tortilla Pan should be rinsed with warm water and, if necessary, cleaned with a soft cloth or sponge and wiped dry.

NOTE: Both the Lid and the Stainless Steel Tortilla Pan are dishwasher safe!

Empty the Drip Tray and clean with warm, soapy water. Wipe dry.

3. Although the Grills are coated with a non-stick coating, some food may still adhere to the Removable Grill/Heating Plate. To remove, simply pour a little cooking oil onto the baked-on food and allow to stand for 5 to 10 minutes. This should soften the food and make it easy to remove. If this method fails, we then suggest wiping the pan with a slightly dampened cloth and a little dishwashing detergent.

CAUTION: Handle the Glass Lid with extreme care, as it may become slippery when wet.

4. **Outside cleaning:** Wipe the plastic Base with a soft dry cloth. Dry both Grill surfaces thoroughly.
5. DO NOT use abrasive cleaners or scouring pads or steel wool to clean this appliance.
6. Do not immerse Adjustable Temperature Control Probe in water or any other liquid.

IMPORTANT:

Your Salton® **SANTA FE BUFFET™** is coated with a non-stick surface. Rather than using grease or shortening, please use liquid margarine, melted butter or cooking oil. We do not recommend using spray-on, aerosol type coatings or food release products, as these build up a residue on the cooking surface.

Any service requiring disassembly other than the above cleaning must be performed by a qualified electrician.

RECIPES

PARTY SNACKS

ROASTED TOMATILLO SALSA*

- 12 fresh tomatillos, husked and washed
- 1 small - medium onion, peeled and quartered
- 2 tablespoons salt
- 4 tablespoons olive oil
- 1 teaspoon canned smoked chipotle peppers
(in adobo sauce)
- 2 small cucumbers (pickling size), chopped
- 1/4 cup grapefruit juice (or lime juice)
- 2 -3 tablespoons honey
- 1 cup fresh cilantro, soft stems included

Cut washed and husked tomatillos in half and place into a medium bowl with the quartered onion. Drizzle 4 tablespoons of olive oil over tomatillos and onion, add salt and mix to coat lightly.

Preheat **SANTA FE BUFFET™** on **"HIGH"** 5-8 minutes.

Place tomatillos face down onto Ribbed Grill and add onions.

Place Glass Lid over tomatillo/onion mixture.

Grill tomatillo/onion mixture for 10 minutes, turn and continue cooking with Lid in place until tomatillos and onions are soft and browned. If mixture begins to burn, turn Control down between **"MEDIUM"** and **"HIGH,"** for about 15-20 minutes in total. When finished, remove items from Grill.

When tomatillo/onion mixture is cooled, place into blender. Add the remaining ingredients, chipotle pepper, cucumbers, juice, honey and cilantro. Process lightly until well blended.

Chill and serve.

***PLEASE NOTE: THIS SALSA IS SPICY!** To tone down the heat, add more cucumbers. For medium-mild tomatillo salsa, omit the chipotle pepper and add 2 or more seeded/stemmed jalapeno peppers to taste. For non-spicy salsa, add red/green bell peppers to taste, or omit peppers altogether.

PARTY VARIATION: Set up a buffet table with plenty of fresh salsa served. Offer individual bowls of finely chopped cucumbers, red tomatoes, minced red onion, cilantro, finely minced jalapeno peppers, canned, drained black beans.

BORDER CHILI CHEESE DIP WITH FRESH DUSTED CORN CHIPS

4 - 6 7" corn tortillas

1 - 15.5 oz. jar Salsa con Queso

1 - 4 oz. can diced green chilies

corn oil or butter to coat tortillas

Spices:

1/2 teaspoon chili powder

1/4 teaspoon cumin

1/4 teaspoon salt

1 teaspoon sugar

Empty one jar of Salsa con Queso into a small pan, and mix one small can of drained green chilies into cheese. Stir. Add pan directly to Heating Plate. Remember to stir cheese dip occasionally.

Preheat **SANTA FE BUFFET™** on **"HIGH"** 5-8 minutes.

Turn down to **"MEDIUM."**

In small bowl, mix spices together well. Cut each corn tortilla into 6 pieces. Place as many pieces on the Ribbed Grill as comfortable (about 6-8 at time). Brush tortillas lightly with melted butter or corn oil. Sprinkle tortillas with some of the spice mixture, saving enough for the rest of the batches. Tortilla chips should grill approximately 1-2 minutes on each side.

Repeat with remaining tortilla chips until all have been grilled. Remove onto plate.

Spoon cheese dip into small side dishes for dipping.

VARIATIONS: Fire up your Queso with some smoked Chipotle peppers. Set out separate bowls of black beans, refried beans, pico de gallo, chopped onions, diced carrots and jicama, and fresh guacamole for your guests to create their own Border Appetizer Plate. Spoon chili cheese dip over finished plates.

GRILLED STUFFED POBLANO PARTY POPPERS

3 small poblano peppers, stems removed and seeded
4 oz. cream cheese, softened
4 oz. shredded taco cheese
1/3 cup green olives with pimentos, chopped
1 tablespoon cilantro, roughly chopped
1/2 teaspoon ground cumin

Fill Round Heating Plate about 1/2 way with water. Preheat **SANTA FE BUFFET™** 5-8 minutes on **“HIGH.”**

Wash peppers and cut off stem ends. Scrape out seeds. In about 2 minutes, water will be boiling. Add peppers cover with Glass Lid. As peppers steam, they will wilt slightly. Steam the peppers for 8 minutes. Remove with Tongs onto plate.

In a small bowl, while peppers are steaming, beat the cream cheese until soft, then add the taco cheese, olives, cilantro and cumin.

When peppers are cool enough to handle (about 2 minutes), stuff the peppers with cheese mixture. Do not fill to the top because, as they grill, the cheese will ooze.

These peppers can be prepared up to 2 days ahead, cover with plastic wrap and refrigerate until ready to finish and serve.

Preheat **SANTA FE BUFFET™** on **“HIGH”** for 5 minutes. Turn heat down between **“MEDIUM”** and **“HIGH.”** Place peppers on Ribbed Grill, with Glass Lid on top. Grill for a total of 8-10 minutes, turning every few minutes, until grilled on each side. Cheese should be melted and hot. Remove carefully with Tongs.

Cut in halves or serve whole.

Serves 3-6.

VARIATIONS: For fun, mouth-watering appetizers, use jalapeno peppers and reduce steam time to 4 minutes. Proceed with recipe. Or, stuff poblano peppers with cheese, rice and chopped, grilled sausage. Experiment with various cheeses and cheese blends.

BREAKFAST

SANTA FE PANCAKES WITH TURKEY SAUSAGES

- 1 cup Aunt Jemima® Pancake Mix
 - 1 can cream corn (8.75 oz.)
 - 1 egg
 - 4 tablespoons medium hot salsa (with black beans and corn)
 - 2 tablespoons canned, diced green chilies
 - cayenne pepper or tabasco sauce to taste
 - 1 tablespoon oil (optional to coat Grill)
- 1 - 14 oz. package turkey sausages

Preheat **SANTA FE BUFFET™** between **“MEDIUM”** and **“HIGH”** for 5-8 minutes. Place turkey sausages evenly on Ribbed Grill. Grill, turning sausages on all sides for 12-15 minutes or until golden brown.

While sausages are cooking, combine pancake batter and all ingredients listed above (except sausages and oil) into a medium mixing bowl and mix lightly.

After sausages have grilled about 8 minutes, begin ladling pancakes by the tablespoon into the Round Heating Plate. About 3 - 4 small pancakes will fit. When pancakes start to bubble on top (2 minutes), turn to other side and cook another 1-2 minutes longer. This recipe will make 12 - 16 pancakes.

Remove sausages and pancakes. Serve with maple syrup.

Santa Fe Pancakes make a great side dish when accompanied with salsa and eggs.

Serves 4.

STRAWBERRY PANCAKES VARIATION: To make strawberry pancakes, replace corn and peppers with 1/4 teaspoon vanilla, 6-8 medium strawberries, diced, 1/4 teaspoon nutmeg and dust with powdered sugar.

Preheat **SANTA FE BUFFET™** on **"HIGH"** for 5-8 minutes. Reduce heat to **"MEDIUM."** Pour one can of black bean chili into Round Heating Plate. Stir in 1/3 cup salsa.

Stir chili 3-4 minutes, until mixture is hot. Crack eggs carefully, one at a time, onto chili mixture. When all eggs are placed on top of chili, cover with Glass Lid and poach for about 3-4 minutes, or until eggs are set.

While eggs are cooking, brush tortilla quarters lightly with oil and place on Ribbed Grill. Grill for 2-3 minutes total, turning and watching carefully, so that tortillas do not burn. Remove carefully with Tongs.

Remove Lid and sprinkle with cheese, cilantro and salsa. Spoon onto plates, accompanied by tortilla chips.

oil to coat Grill

Preheat **SANTA FE BUFFET™** on **“HIGH”** 5-8 minutes. Brush Grill with a bit of oil, and evenly place catfish nuggets on Ribbed Grill. Turn Control down between **“MEDIUM”** and **“HIGH.”** Grill for 4 minutes on first side. Place 2 pita pockets in Tortilla Pan and place Glass Lid on top.

In a medium bowl, mix together the cole slaw mix, radishes, celery, celery seed and blue cheese dressing. Season with salt and pepper. Set aside.

Turn catfish nuggets with Tongs, and grill another 4-5 minutes until thoroughly cooked. (Fish will fall apart easily when done.) Remove fish from Grill with Tongs. Cut pitas in half, exposing pockets. Divide catfish nuggets evenly among 4 pockets. Spoon in even amounts of cole slaw mixture. Top with avocado slices and serve.

Serves 4.

VARIATION: Use fresh, cleaned shrimp. Cook on **“MEDIUM”** for 3-4 minutes until shrimp turns pink. **DO NOT OVERCOOK OR UNDERCOOK!** See USDA note in “Hints For Best Results” on page 8 of this manual. Proceed with recipe.

You can substitute blue cheese dressing with ranch, thousand island, or fresh salsa.

GRILLED APPLE'S WITH CARAMEL SAUCE ALA MODE

- 2 medium sized apples, peeled and cored, sliced 1/4" thick
- 2 teaspoons cinnamon sugar
- 1-2 tablespoons melted butter
- 1 - 17 oz. jar Richardson's® Butterscotch Caramel Sauce
- 1 pint vanilla ice cream (or any flavor of your choice)
- 4 tablespoon chopped pecans

Preheat **SANTA FE BUFFET™** on **"MEDIUM"** for 5-8 minutes. Brush Ribbed Grill lightly with melted butter. Place apple slices evenly on Grill. Brush apples with butter. Sprinkle 1 teaspoon of cinnamon sugar onto apples. Cover apples with Glass Lid and allow to steam for 2 minutes. Remove Lid. Grill another 2 minutes, then turn apple slices with Tongs. Brush with remaining butter, and sprinkle with remaining 1 teaspoon cinnamon sugar.

Pour butterscotch caramel sauce into small pot and place on Round Heating Plate. Stir occasionally, making sure that sauce does not burn. Grill apples for 4 minutes longer. Remove apple slices with Tongs and portion into 4 dishes. Place a scoop of vanilla ice cream onto slices, drizzle with caramel sauce, and top with chopped pecans.

Serves 3-4.

VARIATION: Substitute any of your favorite nuts: peanuts, pistachios, slivered almonds.

Grill fresh mango, peaches or pineapple instead of apples. Fruit is done when hot and tender. Various flavors of fruit toppings can be used. Top with shredded, sweetened coconut.

ADULT PARTY VARIATION: Soak raisins in Rum for at least one hour before dessert preparation. Add a splash of Rum to the Caramel Sauce. Spoon raisins onto finished desserts. Add nuts to top.

DECADENT PEANUT BUTTER, CHOCOLATE CHIP & BANANA DESSERT TACOS

2 - 8 oz. packages of cream cheese
1/2 cup chunky or creamy peanut butter
1/2 cup powdered sugar
2 ripe medium-sized bananas
1/2 cup mini chocolate chips
4 tablespoons melted butter
whipped cream
1- 17 oz. jar chocolate sauce
4 medium bananas, sliced 1/4" thick
1/2 cup mini chocolate chips as topping
10 - 7" flour tortillas

In the bowl of an electric mixer, beat the cheese until smooth. Add the peanut butter, powdered sugar and banana, and continue to beat until smooth. Stir in chocolate chips. Spread 1/4 cup of this filling over half of each tortilla. Fold the other tortilla half over the filling and press slightly. Place on a large plate and cover 10 filled tacos with plastic wrap. Refrigerate about 30 minutes or until filling sets.

Preheat **SANTA FE BUFFET™** to **"MEDIUM"** about 5-8 minutes. Brush one side of each taco with melted butter, reserving half of the butter for the other sides. Place 2 tacos at a time on the Ribbed Grill, grilling for about 2-3 minutes on each side, watching carefully so that filling does not drip out.

Grill tacos in 5 batches. During fourth batch, pour chocolate sauce in small pot and place onto Round Heating Plate. Stir periodically until warm.

Spoon 2-4 tablespoons of the chocolate sauce onto each plate. Carefully remove tacos with spatula onto plates. Garnish each taco with the sliced bananas, a dollop of whipped cream and a sprinkling of mini chocolate chips.

Serves 5-10.

PARTY VARIATIONS: Dessert tacos are perfect for party snacks. Set out individual bowls with all of your favorite toppings: offer a variety of sauces, chopped nuts, and sprinkles.

Substitute peanut butter with apricot preserves, orange marmalade, or strawberry jam. Serve with drained pineapple tidbits, mandarin oranges, or fresh sliced strawberries.
